Pilot Document Review Form

This form must be completed and signed prior to first flight by participant.

Pilot Information:

Name: _____

IAC #: _____

Part 1. PILOT DOCUMENTS:

- IAC Membership Card or FAI Sporting License
- Pilot Certificate
- Medical Certification. Check which one applies:
 - FAA Class III or Basic Med (if flying non-LSA powered aircraft)
 - Valid US driver's license (only if flying LSA)
 - Participant attests to freedom from medical issues (only if flying glider)
 - Form issued by any branch of US Armed Forces (only if military pilot)
 - Medical certificate issued by licensing country (only if non-USA pilot)
 - No medical certification needed (only if flying with qualified Safety Pilot)

Part 2. OTHER DOCUMENTS:

- Proof of Insurance
- Proof of Flight Review (if required by waiver)

Part 3. SIGNATURES:

Pilot Signature:

I, _____, hereby attest that the above documents that I have presented are either original documents or are true and accurate reproductions of the original documents and that, to the best of my knowledge, no changes or alterations have been made to any of the documents that I have provided.

Pilot Signature

Date

Witness Signature:

I, _____, have reviewed the pilot's documentation listed above and, based upon my review of that documentation, I am not aware of any reason why they cannot participate in the event.
